Unearth something unexpected.

Alamo

Capers Island

Coastal Bluff

Olde Columbia

Old Edisto

Old Guignard

Clay and shale. Two of Earth's most abundant natural materials and the elemental building blocks for Boral® brick products. When your project calls for something with a lighter touch, Boral® Thin Brick is the perfect go-to option for your home.

The signature look of full-dimensional clay brick in a thin lightweight solution that lends itself to a whole new world of possibilities.

Marsh Pointe

Mt Rushmore

Sandy Creek

Tobacco Road

Most people believe our brick actually grow lovelier with age, and we have to agree. We're so confident in its durability, we offer the Boral® Transferrable Residential Warranty to protect you for as long as you own your Boral brick home. Our warranty even transfers to the second owner if you decide to sell. It's the industry's best warranty and that's just what you'd expect from Boral Bricks. **Safeguard your dream by building with Boral.**
